## CNAS | Center for a New American Security

신미국안보센터 / 미국 워싱턴 D.C.

*An independent, nonpartisan and nonprofit organization that develops strong, pragmatic and principled national security and defense policies*

CNAS develops bold, innovative ideas to shape and elevate the national security debate during a period of great change and consequence. The Center brings together the current and next generation of national security professionals – Democratic and Republican, civilian and military – to help forge a bipartisan consensus around America’s approach to the world and its challenges. With its small, dynamic staff, CNAS has an outsized influence on policymaking and the national debate.

### Mission and Values

The mission of the Center for a New American Security (CNAS) is to develop strong, pragmatic and principled national security and defense policies. Building on the expertise and experience of its staff and advisors, CNAS engages policymakers, experts and the public with innovative, fact-based research, ideas and analysis to shape and elevate the national security debate. A key part of our mission is to inform and prepare the national security leaders of today and tomorrow.

## CSIS | Center for Strategic and International Studies

전략국제문제연구소 / 미국 워싱턴 D.C.

*Strategic insights and bipartisan policy solution*

For more than 50 years, the Center for Strategic and International Studies (CSIS) has developed practical solutions to the world’s greatest challenges. As CSIS celebrates this milestone, CSIS scholars continue to provide strategic insights and bipartisan policy solutions to help decision-makers chart a course toward a better world. CSIS is a bipartisan, nonprofit organization headquartered in Washington, D.C. The Center’s 220 full-time staff and large network of affiliated scholars conduct research and analysis and develop policy initiatives that look to the future and anticipate change. In early 2009, a consortium of American and Korean benefactors provided seed money for a permanent endowment at CSIS to support the CSIS Office of the Korea Chair to build an active policy research program on Korea in Washington.

### Mission and Values

Since 1962, CSIS has been dedicated to finding ways to sustain American prominence and prosperity as a force for good in the world. After 50 years, CSIS has become one of the world’s preeminent international policy institutions focused on defense and security; regional stability; and transnational challenges ranging from energy and climate to global development and economic integration. The Office of the Korea Chair at CSIS serves as an independent platform in Washington from which to advance major policy issues of common importance to the people of the Republic of Korea and the United States.

## GIGA | German Institute of Global and Area Studies

독일 국제지역연구원 / 독일 함부르크

### *Bridging Theory and Practice*

The GIGA German Institute of Global and Area Studies is an independent social-science research institute based in Hamburg. The GIGA emerged in 2006 after the restructuring of the German Overseas Institute (1964–2006). Located on the Inner Alster Lake, the GIGA has had a long partnership with the city of Hamburg. As the "gateway to the world", Hamburg offers ideal conditions for the GIGA's research. Currently, the GIGA employs approximately 160 employees, including 90 academics. More than 50 junior scholars are currently enrolled in GIGA's doctoral program.

The GIGA operates the largest non-university information centre for area and comparative area studies in Germany. Through its Berlin office, the institute is also represented in the German capital.

### Mission and Values

For 50 years, the GIGA has researched political, economic and social developments in Africa, Asia, Latin America and the Middle East as well as global issues. The GIGA analyses political, social and economic developments in Africa, Asia, Latin America and the Middle East and combines this analysis with innovative comparative research on international relations, development and globalisation, violence and security, and political systems. On the basis of this research, the GIGA advises political, economic and social decision-makers.
