## 2. Application Procedure

### 1. Check the Degree program and Recruiting Department

- Check the information about the degree program, recruiting department and whether English classes can be offered or not from the graduate school website.
- Pre-contact with a professor at Ajou University is recommended, not mandatory, except for the applicants for Department of Pharmacy, Medical Sciences, Biomedical Sciences, Digital Media and Life Media.
- Inquiries into educational programs of recruiting departments and majors : e-mail to the Chief of Department or Head professor. (refer to the email address stated in graduate school website)

### 2. Online Application and Submission of Required Documents

- Online application is through the banner of the pop-up window. It will only be accessible during the application period.
- After completing the online application, you can print out the application form for admission. The signature of a financial supporter is necessary on the application form.
- Submit the required documents to the Graduate School office(Yulgok Hall #305) in person or by post before the deadline for submission.

### 3. Screening, Interview and Evaluation by the Department

- Students are selected by the evaluation of their documents and interview
- After examination of documents, each department will decide on the type of interview (telephone, e-mail or in person) and contact the applicants individually
- Each department will conduct interviews. For inquiries about interviews, contact each department office directly.
- The evaluation is conducted by the screening committee of each department and the Board of the Graduate School.

### 4. Announcement of Successful Applicants

- The list of successful candidates and notification of admitted students will be posted on the graduate school website on the date of announcement. Check the admission notice menu on that day.

## 5. Submission of Health Checkup and Issuance of Certificate of Admission

- The Graduate school will send an e-mail to successful applicants to check their address and notify them to submit their medical examination results including TB(tuberculosis) test.
- Successful candidates are required to submit the health checkup results (especially including TB test) that were issued from the hospital in their country to the Graduate School office by e-mail.
- Non-submission of health checkup results or a serious problem on the medical examination can be a reason for rejecting entrance to graduate school.
- The Graduate school will send the admission package including certificate of admission and notice for successful candidates through e-mail to the admitted students, individually.

## 6. Registration

- Pay tuition fees and insurance fees within the registration period (only available during banking hours within the designated period [Standard Chartered Bank, 09:30 ~ 16:30]).
- If the admitted students does not pay the tuition fee during the designated period, the admission will be cancelled.
- Only admitted students who live in foreign countries can postpone the payment of tuition fess because we don' t accept remittance from other countries. In that case, students must submit the application form for postponing payment to the Graduate School office by email. If they do not submit the form, the admission will be cancelled.

## 7. Application for D2 Visa issuance

- Applicants who are in Korea and required to extend or change the visa type to D2 : get the original admission documents from the Graduate School office(Yulgok Hall #305). Apply for extension or change of visa by visiting the immigration office in a residential district. For more detailed information about visas, refer to the e-government homepage for Foreigners([www.hikorea.go.kr](http://www.hikorea.go.kr)) or call the immigration office call center (Tel : 1345).
- Applicants who are abroad and required to get a new visa for studying in Korea : submit the application form for postponing payment. The Graduate School will send the original admission package to their countries by post. Applicants can apply for issuance of a D2 student visa at the Korean Embassy in their countries. To get the information on issuance of visa, contact and get confirmation from the Korean Embassy in your country.
- After getting the students visa, enter Korea on the schedule of dormitory opening.

## 8. Course registration and Preparation for Semester

- Dormitory Application is through the dormitory website (<http://edorm.ajou.ac.kr>) during the designated period.
- Student ID numbers will be posted on the graduate school website at the beginning of February.
- Make a web ID at the AIMS portal website(<http://portal.ajou.ac.kr>) and apply for student ID card with the consent to the use of personal information.
- Course Registration is through the AIMS portal website.
- After entering Korea, applicants for postponing payment should pay tuition fees within the designated period at Standard Chartered Bank.
- Get your student ID card from the department office at the end of the February, 2016.
- Attend the orientation for new-coming foreign students
- Alien Registration : after another health check-up at Suwon Yeongtong Health center, apply for alien registration by visiting Suwon Immigration Center in person or participating in the on-campus immigration service. Admitted students from one of the 16 designated countries below should get a health checkup once again at Suwon Yeongtong Health Center even though they already submitted the health checkup results before entering Korea. A health checkup result from Suwon Yeongtong Health Center is a required document for Alien Registration.
