YOUTH FORUM

FOR SEOUL CONFERENCE ON
CYBERSPACE 2013

What is the Youth Forum? 청년포럼 소개

As one of the side events leading up to the Seoul Conference on Cyberspace, which will be held on October 17-18 at COEX, Seoul, the Youth Forum is designed to provide a platform for the youth to discuss and share innovative ideas on a range of issues related to cyberspace. The results of the discussions at the Youth Forum will be shared at the Seoul Conference on Cyberspace

Who are the Panelists? 패널리스트

There will be three panel discussions by **nine teams** selected as the **winners of the Global Essay Competition** from June 1 to July 12. The winning teams will explore three issues: Economic Growth and Social/Cultural Benefit; Cybersecurity(including Cybercrime and International Security); and Capacity Building. Each division selects the most successful team, '**The Best Delegation**', to be sent over to the SCC 2013. The three Best Delegations have the honor of delivering their speeches at the 'Joint Plenary with Youth Forum' on October 17.
