

The screenshot displays the Aju University portal interface as seen through an Internet Explorer browser window. The browser's address bar indicates the URL 'http://portal.ajou.ac.kr/portal/goToMyPage.action'. The webpage has a light blue header with navigation icons and text. A prominent banner in the center-left features a photograph of a building and a large red rectangular button with white Korean text 'Click 학사(대학원)', which translates to 'Click Academic (Graduate)'. To the right of this banner is a table titled '도서대출정보' (Book Lending Information), which lists book titles such as 'The challeng...', 'Women and th...', 'Gender and d...', and 'Equality and...' along with their respective lending dates from August to December 2010. Below this table is another section titled '오늘의메뉴' (Today's Menu), detailing meal plans for various student groups like '최고기우국' and '삼겹살김치찌개'. On the right side of the page, a vertical sidebar titled '통합홈페이지' (Integrated Homepage) provides quick access to numerous university services and departments, including '공과대학' (College of Engineering), '자연과학대학' (College of Natural Sciences), and '법무대학원' (Law School). The bottom of the page contains a footer with the university's name in both English ('AJOU UNIVERSITY') and Korean ('아주대학교'), its founding year (1984), and a copyright notice for 2009.

When you click 학사(대학원), this page pops up
