Quarantine place on your own

- Must keep in touch with the **Public Health Center** where your quarantine place belongs to
- If you choose which option to choose, please let us know by August 9th.
- If you choose option 3, please send us the address by August 9th.

The quarantine will start immediately when students arrive at Incheon Airport.

The below information is for **OPTION 1 students**. Please read carefully the below information for preparing your quarantine.

BEFORE DEPARTURE

The first group to begin quarantine must arrive in Korea from **August 10th to August 13th (Korean Time)**. Students **cannot** arrive earlier or later than the aforementioned date. If the student cannot arrive within this period, you will not be quarantined.

Please inform us if your flight has been cancelled or postponed in order to prepare and assign your room at the quarantine facility.

Students will finish their quarantine from **August 25th to August 28th** depending on their quarantine start date. The fall semester begins on Tuesday, September 1st.

The quarantine period will begin as you enter Korea, therefore please **come directly** to the off-campus residence when you arrive at the airport. Please remember to wear a mask at all times and come **individually** and not in groups.

Before you leave, download Kakaotalk app and make an ID. You can contact us during the quarantine or in case of emergencies.

The summer in Korea is humid and hot (up to 40 °C). The quarantine place provides air conditioning, but do not offer separate kitchen.

Students **MUST** follow the guidelines and regulations from the Korean Government and Ajou University. If quarantine or above information makes you feel uncomfortable or uneasy, postponement of exchange study is possible.

Things to bring regarding quarantine:

1) Disposable masks (enough for the semester, in case purchasing mask is difficult due to lack of supply or high traffic).

***Students MUST WEAR A MASK at all time in the airplane and at the airport to the quarantine facility. If you do not wear a mask in Korea, you will be restricted from taking any kind of transportation or enter buildings and shops.

2) Personal belongings: sanitizer, soap, body wash, shampoo, towel, tumbler/cup, pillow and etc. (Do not share with other students during the quarantine)

3) Laptop (online classes and for your own needs, Wi-Fi is provided at the quarantine facility)

4) Snacks (only meals will be provided, please bring enough snacks that will not go bad and valid for 14 days)

***We will take in consideration of your dietary restriction, however menus may be limited. If you have any dietary restrictions, please bring enough snacks to eat during the quarantine period.

5) Medication if you need to take them on daily basis.

6) Quarantine Fee: KRW 1,080,000 (includes 700,000KRW for quarantine facility and 280,000KRW for meals, and 100,000KRW for airport pick-up and COVID-19 test pick-up fee)

***The payment will be carried out after your quarantine is over. Students must pay the fee right after the quarantine ends. Detailed information will be shared via email once you arrive. The quarantine fee is not included in the dormitory fees for the semester.

7) You will not be able to order any commodities during quarantine period. So please be prepared as much as you can.

***If you need to order anything online, please discuss with the quarantine facility.

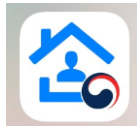

AFTER ARRIVAL TO INCHEON AIRPORT

When you arrive at the airport, Korean Government officials will check your body temperature and will ask your health condition. If you have symptoms of fever or severe cough, you will be taken to the hospital directly for COVID-19 test and then be quarantined for following days.

If any symptoms are shown, you will be asked to fill out the below information

- 1) Personal information including the address for quarantine
 - Address (ENG): 60, Yeonhui-ro 2-gil, Seodaemun-gu, Seoul (Postal Code: 03785)
 - Address (KOR): 서울시 서대문구 연희로 2길 60, 스테이포유
- 2) Phone numbers ① & ② that can be reached
 - Phone ①: 010-2849-2937
 - Phone ②: Please put your personal phone number
(Korean number if you bought SIM card at the airport, if not, your home country's phone number)
 - If you do not buy SIM card at the airport, we strongly recommend you apply for overseas roaming service for few days.
 - Emergency Contact (Ajou University OIA): 031-219-2923 or 031-219-2172

You will need to install the quarantine application by Korean Government.

You may download the application with your country phone number. However, if you buy Korean SIM card afterward, you need to delete the application and install again with the new Korean number.

This application will ask you to report your body temperature and symptoms twice a day during quarantine period. The government officers will contact you during quarantine in case of additional notice.

If you are found to go out of the quarantine area, or if do not obey the regulations, you will be deported and face legal punishment for quarantine breach by the Korean Government.

All domestic and international tourists will be separated into the groups based on the quarantine address. As the quarantine facility offers airport pick-up service, you will be in contact with the driver. Then you will be directly taken to the quarantine facility.

Please refer to the file "StayForU Airport Pick-up and COVID 19 Test Service" attached to the notice.

Internet Connection / SIM Card

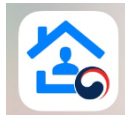

- 1) Students may purchase SIM CARD in the kiosk before the arrival gate at Incheon Airport.
- 2) Otherwise they have an option of buying the SIM Card by private company after arrival to the quarantine facility. In this case, you will need to register for the service after you fill out the application form prepared in your room upon arrival.
If you buy the SIM Card, you need to erase the quarantine application and download it again with the new phone number.
- 3) Free Wi-Fi is available in the quarantine facility

Things to Remember:

- 1) Your quarantine will start automatically when you arrive.
- 2) You will not be allowed to stop by any stores or places on your way to the quarantine facility.
- 3) Follow the rules and guidelines by the Government in the airport.
- 4) If Korean Government thinks that your quarantine address is not valid, you will be moved to the government quarantine place which costs approximately 2,000,000KRW.
- 5) Once you begin your quarantine, you cannot return to your country until you finish 14 days of quarantine.

During Quarantine

- 1) You will be quarantined for 14 days.
- 2) You will be dismissed from quarantine on the next morning after 14 days have passed.
- 3) You must report the body temperature and symptoms to the Government Application **two times a day.**

- 4) Lunch and dinner will be delivered.

Things to Remember:

- 1) Once you start the quarantine, **you will not be able to go back to your country unless the quarantine period is over.**
- 2) You will need to pay the amount in cash when you are dismissed from the quarantine.
- 3) **You MUST follow the guidelines and restrictions provided by the quarantine facility, university, and Korean Government at all times.**
