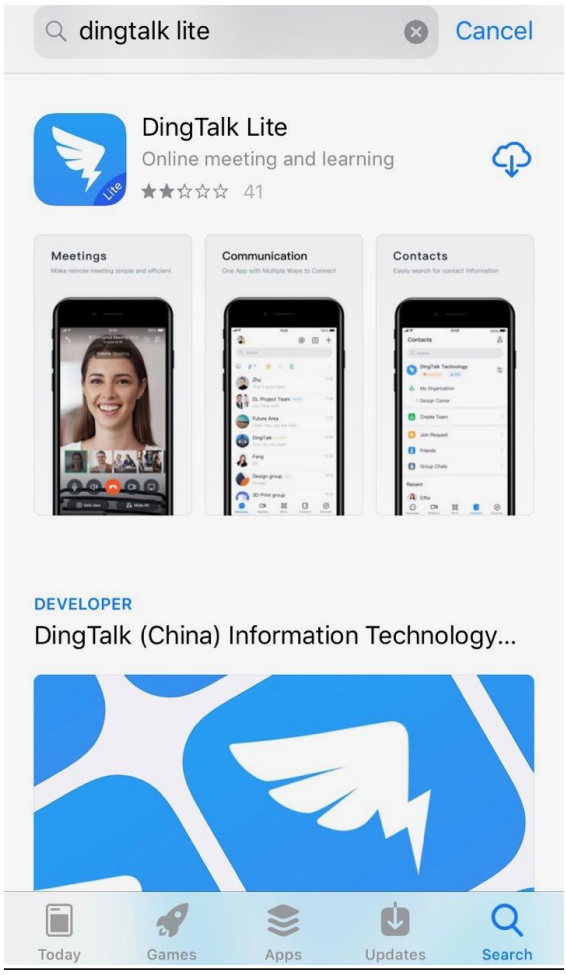
How to access learning materials

5. How to watch recorded video classes
6. How to watch livestream webinar sharings

1. Download DingTalk Lite

- Mobile: Search “DingTalk Lite” in Google Play or the Apple App Store
- PC: Go to https://www.dingtalk.jp/wow/dingtalk/act/en-download



2. Create your account

Note: Please use your real name to register so as to facilitate interaction during the training.

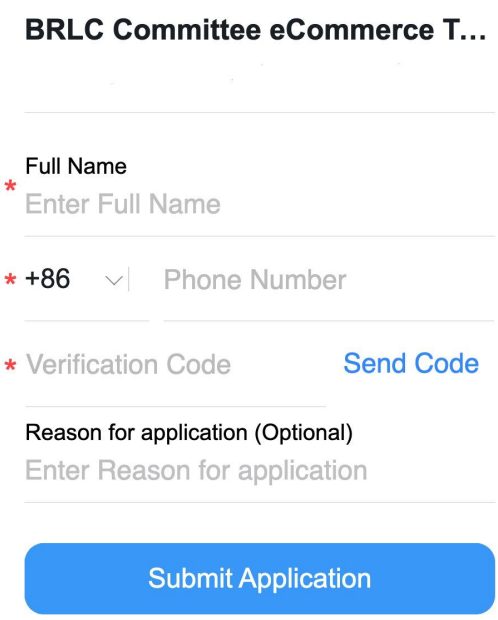
3. Complete the registration survey and apply to join the training group

Survey link: https://survey.taobao.com/apps/zhiliao/vhd6O92p-

You can also scan the QR code above to apply

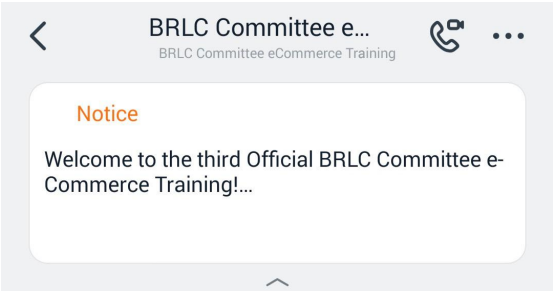
Once you submit the survey, you'll automatically be taken to an application page to apply to join the training group.

Below is the application page you'll see after completing the survey. Please note that the Taobao University team will process your application within 24 hours:



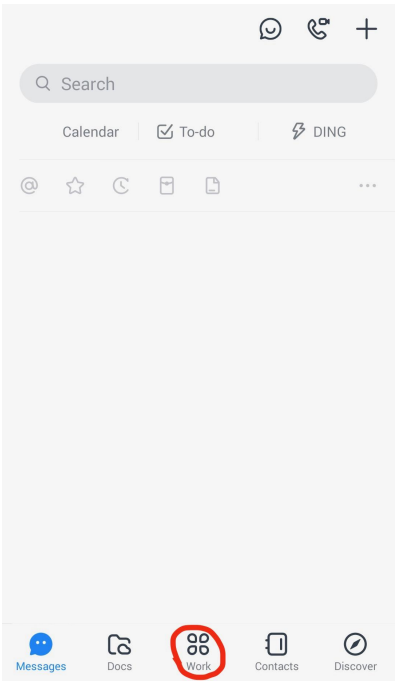
4. Enter the training group

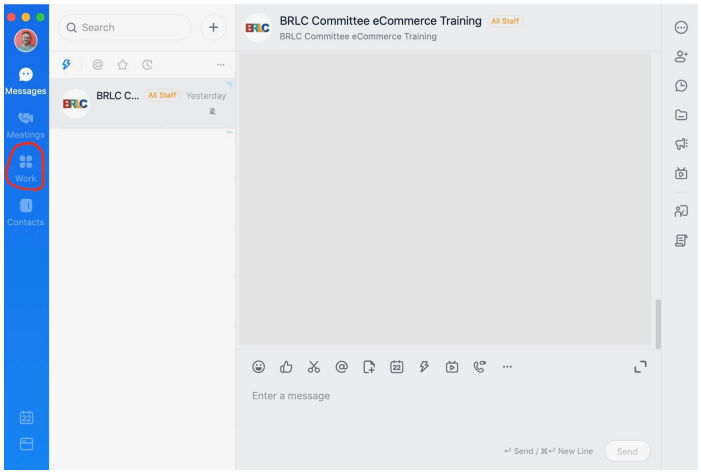
Once your application is approved, you'll receive a notice that you can enter the training group.



To enter the group, select the Work tab in your DingTalk interface.

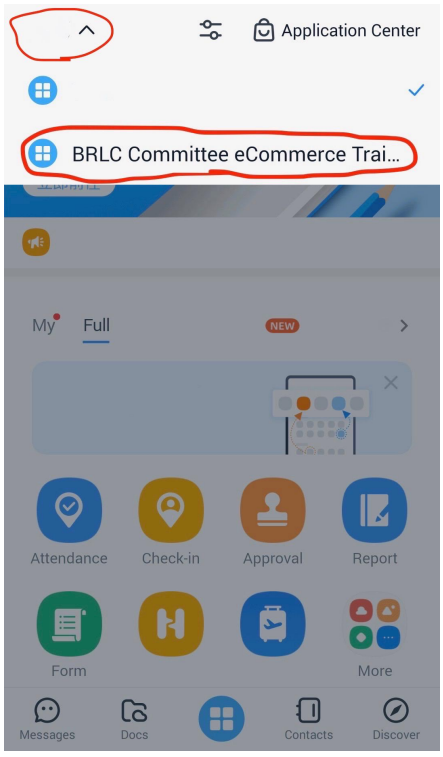
Mobile: PC:



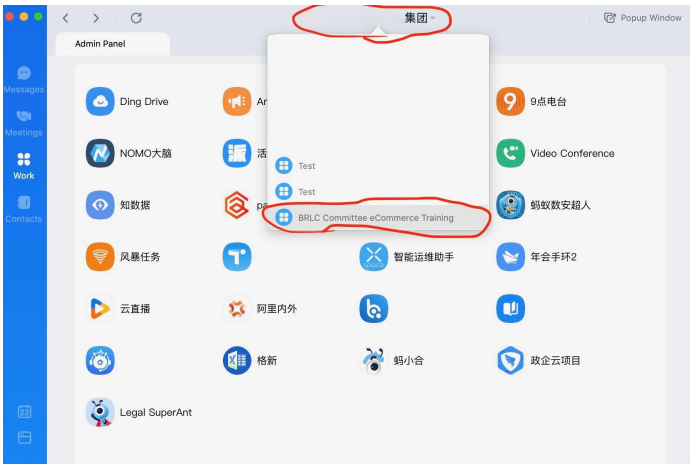


Next, select the dropdown tab at the top of your DingTalk interface and choose the BRLC group.

Mobile:

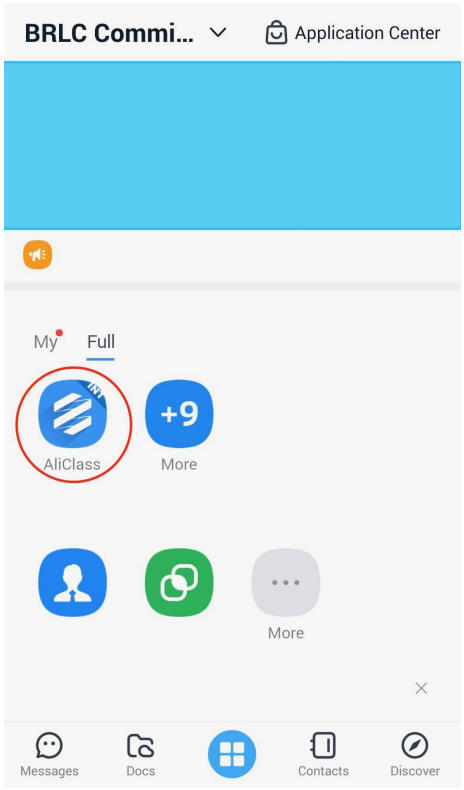


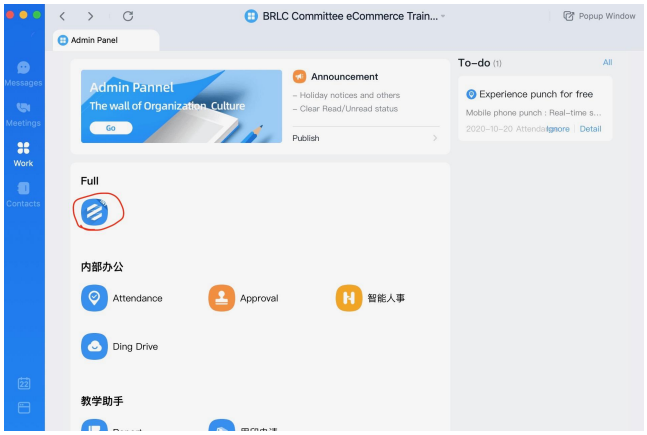
PC:



Once you’re in the BRLC group, select the AliClass icon.

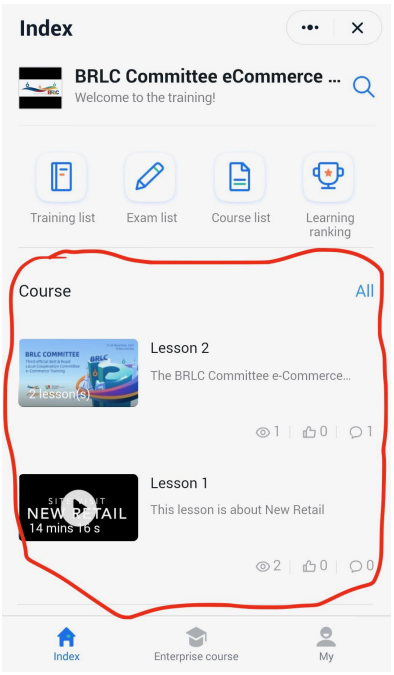
Mobile: PC:

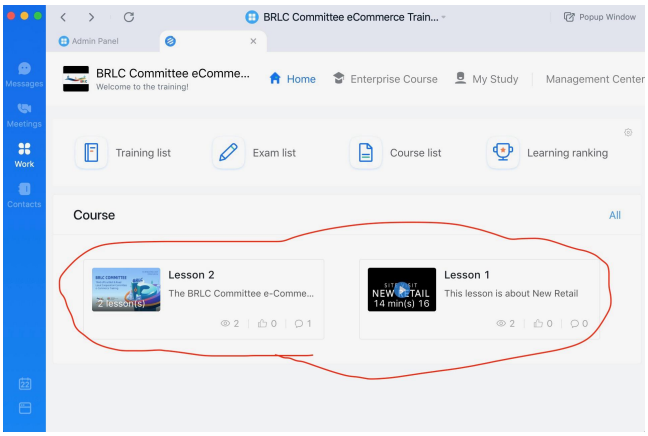




Then you’ll see the interface of BRLC training where you’ll be able to watch all the recorded video classes for the program.

Mobile: PC:





We will also notify you of the latest updates on video classes and livestreams in the training group throughout the training program. Feel free to post any questions or comments in this group.
