

Registration for Enrolled students for Fall, 2026

This notice is intended **for ENROLLED students.**

※ MUST READ ※

- ※ **New students** of 2026 spring semester are not subject to this notice. (Processed separately)
- ※ **Re-entering Students** must **pay the tuition during the “Regular registration period”**(additional registration period cannot be accepted). If not, your re-enter will be canceled.
- ※ **Those who will be paid the research stipend must check your research stipend payment standard, and confirm whether you need to pay the tuition fee within the “Regular registration period”**

1. Registration Schedule for Enrolled students

Classification	Tuition Fee Payment Period	Note
Registration (Regular)	2026.08.24. ~ 08.28.	
Additional Registration(1st)	2026.09.02. ~ 09.04.	
Additional Registration(2nd)	2026.09.28. ~ 10.02.	Students who meet the conditions below is only allowed to pay during this period or after: • 5th semester or more: Master's/Doctoral • 9th semester or more: Integrated ※ Those who have a reason(research stipend, etc) to pay the fee during “Regular registration” period need to send an email to grad@ajou.ac.kr
Final Registration	2026.10.12. ~ 10.14.	Tuition payment will not be accepted after this period. Unpaid students will be <u>dismissed</u> from the program.

※ **Tuition Fee Invoice** can be printed out via Ajou portal system with the same date of the payment period. (cf. Regular registration: 2026.08.21.~08.28.)

2. How to print out the tuition fee invoice

- Confirmation of payment fee payment can only be printed out the day after payment.
- From 2014 spring semester, invoices can only be printed out by using Ajou Portal System.

3. How to pay

Category	Method	Note
Offline	All branches of KB bank	Students can get assistance when they print out tuition fee invoice and visit KB bank Ajou univeristy branch.
Online	Online banking system	Transferring is only possible within the working hours of the Bank (09:30 ~ 16:30) Transfers made outside banking hours will result in errors and won't be accepted.

- A. In case that **the tuition is KRW 0, students need to submit the bill to the KBbank** for your registration.
- B. Students need to apply for postponing their tuition payment in case they could not pay for their tuition fee within the regular registration period.
- C. Those who do not register during the announced deadline, will be dismissed from the school.
