

BIEN 2025 & INWES APNN Meeting

08. 20 WED — 08. 22 FRI

HOTEL ICC, Daejeon, Korea

Welcome Message

BIEN 2025, the 6th International Conference for Women in Science and Technology, will be held from August 20 to 22, 2025 in conjunction with the 2025 INWES APNN Meeting, under the theme: "Science and Technology Without Borders."

This theme reflects our belief that science and technology must transcend national, generational, and disciplinary boundaries to meaningfully contribute to the shared advancement of humanity. Since the inception of BIEN in 2003, the Association of Korean Women Scientists and Engineers (KWSE) has been committed to promoting interdisciplinary exchange and creating synergy among women in STEM fields. BIEN 2025 will offer a valuable opportunity to reaffirm the importance of diversity in STEM and to explore how the unique talents and perspectives of women can enhance the global impact of science and technology. The conference will showcase and facilitate the exchange of achievements across the fields of Bio, Information, Environment/Energy/Atomic, Space, and Basic sciences. Gender issues in STEM will also be a major topic of discussion throughout the conference.

Moreover, women leaders from the Asia Pacific Nation Network (APNN) will engage in in-depth discussions, sharing national policies that support women in STEM and presenting their organizations' efforts to advocate for gender equity in science and technology.

KWSE warmly invites you to join us at BIEN 2025 and the 2025 INWES APNN Meeting. Your presence and participation will make this conference even more meaningful and impactful. efforts to advocate for gender equity in science and technology.

Welcome Message

Program at a Glance

Time	Wed. Aug. 20			Thu. Aug. 21				Fri. Aug. 22
08:00 – 09:00	-			-				Depart to Seoul
09:00 – 09:30	Registration			Registration				
09:30 – 10:00				Scientific Session III (EET)	Scientific Session IV (IT)	APNN Meeting	YWS Camp	
10:00 – 10:30								
10:30 – 11:00	Opening Ceremony							KIST Tour
11:00 – 11:30								
11:30 – 12:00	Plenary Speech I <b>Pam MELROY</b> <b>(NASA Astronaut &amp; Former NASA Deputy Administrator)</b>			Plenary Speech II <b>PARK Nam-Gyu</b> <b>(Sungkyunkwan University)</b>				
12:00 – 12:20								
12:20 – 13:00	Luncheon & Poster Session		Gender in STEM	Luncheon & Poster Session				Luncheon
13:00 – 13:30								
13:30 – 14:00				Invited Speech I <b>LEE C. Justin</b> <b>(Institute of Basic Science)</b>		Invited Speech II <b>CHA Meeyoung</b> <b>(Max Planck Institute for Security and Privacy)</b>		
14:00 – 14:30								
14:30 – 15:00								
15:00 – 15:20	Coffee Break			Coffee Break				
15:20 – 17:30	Scientific Session I (ST)	Scientific Session II (BS)	Special Session I (Industry)	Scientific Session V (BT)	Special Session II (Global TOP)	APNN Meeting	YWS Camp	
17:30 – 18:00	Break			Break				-
18:00 – 20:00	VIP Dinner (Invited Only)			Farewell Dinner				

Call for Abstracts

The Scientific Committee of BIEN 2025 invites you to submit an abstract presenting your research findings or emerging trends in science and technology. Abstracts must be written in English, limited to one page, and submitted through our online system. All submissions will be reviewed by the respective Scientific Committees.

Abstract Template & Submission

Important Dates

We cordially invite all prospective participants to submit their abstracts by the designated deadline. Participants are also encouraged to complete early registration within the specified period to benefit from reduced registration fees and to secure their participation in the BIEN 2025.

Abstract Submission Deadline

June 27

Early Registration

April 21 – July 31
